**Explore the world's best theme parks, all in the one spectacular holiday destination: the Gold Coast in Australia**

**Sea World**

Ever wondered what it would be like to befriend a dolphin or get up close and personal with sharks? Many of you obviously have, as "swimming with dolphins" and "diving with sharks" were awarded first and fifth place respectively on the BBC Holiday '50 Things to do before you die' list! Well, there's good news as we know a place where both of these life-long dreams can be fulfilled; **Sea World on the Gold Coast in Australia!**

The world-class marine animal park offers an exclusive opportunity to join its trainers in a unique interaction with the park's animals. These include deep and shallow water dolphin encounters, open helmet dolphin dives and the 'trainer for a day' program. You also have the option to snorkel or scuba-dive with non-dangerous sharks, and even assist with the feeding of the dangerous sharks from the safety of an acrylic cage. Plus, there are wet and dry interactions with the fun-loving seals and behind-the-scenes tours of Polar Bear Shores.

Don't miss the awe-inspiring Shark Bay, the world's largest shark lagoon. This truly spectacular two-level exhibit houses many different species of sharks and offers viewing from above and below the water.

There's also a variety of exciting shows and rides, such as the crowd favourite Dolphin Cove Show, the hilarious 'Quest for the Golden Seal' show, and the action-packed Ski Show. The kids will love Cartoon Network Cartoon Beach and don't forget to say hi to the park's resident polar bears at Polar Bear Shores, including adorable cubs Hudson & Nelson!

## **Paradise Country**

The authentic Aussie farm is located in the peaceful hinterland area between Warner Bros. Movie World and Wet'n'Wild Water World, two of the country's premier theme parks. You can watch whip cracking, boomerang throwing, sheep shearing, cow milking, and billy tea and damper making demonstrations, plus exciting horsemanship displays by real stockmen. You can even pat cute farm animals in the newly expanded small animal nursery and feast on a delicious barbeque lunch, complete with live singing and other uniquely Aussie entertainment.
