Biography - Dr Bill Medland

DR BILL MEDLAND

Dr Bill Medland is committed to ensuring the Medland Orthodontics name is synonymous with beautiful smiles, technical expertise and five-star customer service. His passion for orthodontics is infectious and he is celebrated amongst patients and the dental community alike for his energy, superior quality work, perfectionism, and charisma.

Dr Medland is an advocate for continuous learning and staying at the forefront of orthodontic advancements. He is an expert in modern orthodontic treatments like Invisalign and SureSmile, and has access to the latest technologies guaranteeing you receive the best results possible.

Dr Medland grew up in Queensland and graduated from the University of Queensland Dental School. He then set his sights on one of the world's top orthodontic and functional jaw orthopaedic centres, the University of North Carolina, where he was accepted as the first non-American student. After training concluded, Dr Medland completed a two-year research fellowship before returning to Australia to practice with his lovely wife (and fellow orthodontist), Dr Patty Medland.

Known as 'the' orthodontist on the Gold Coast, Dr Medland also lectures for Invisalign hosting webcasts for dental industry professionals. He is a trusted source of information on a variety of orthodontic topics and enjoys sharing his knowledge with peers and patients. Adding to his accolades, he was also one of the first local orthodontists to use lingual (inside) braces.

If the much-loved Dr Medland isn't straightening teeth or studying the latest in orthodontic developments, you will find him relaxing on the water making the most of the outdoorsy and sunshine-filled Gold Coast lifestyle!
